Prospectus

2017-2018

From the Desk of Chairman

Heartiest greetings from NEMCARE Foundation...

It gives us immense pleasure to inform the public that NETES Institute of Pharmaceutical Sciences (NIPS) is going to start its journey in the field of pharmaceutical sciences. I believe that the institute would act as an ideal tribune to propagate the pharmacy profession in the growth of the society. Pharmacy is a career, offering multiple scope for the students. I also pleased to inform you that NEMCARE has spent 17 years in medical service with epitome of quality and excellence. So we request you to show the trust on NEMCARE group and allow us to propagate the pharmacy education. Lastly, I conclude with my words that ..

"We believe in quality not in quantity"

MISSION

Uplifting the laurels of quality education in the field of science and technology, empowering the society with sound and competent professionals to lead the nation from the front.

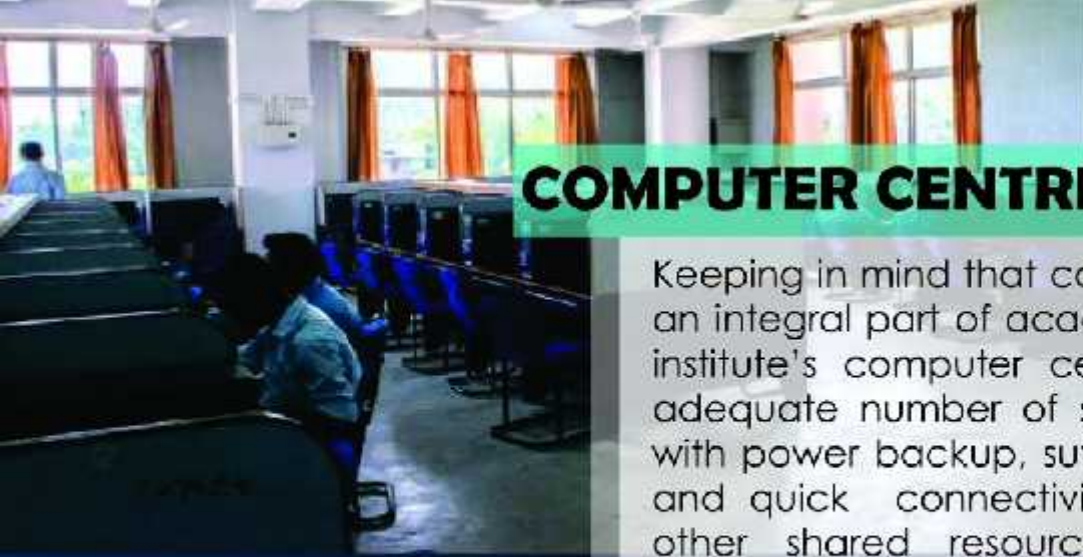

VISION

Each student deserve their ethical rights to convert themselves as the nation building human resources and therefore our vision is to ensure them to provide the quality education by helping them to achieve their goals. Our commitment of good teaching practices, stress upon imparting relevant, superior practical skills and knowledge, disciplined academic schedules, supplemented by exposure to latest developments via guest lectures and industry visits, ensuring the making of a perfect pharmacist.

ABOUT THE INSTITUTE

NETES Institute of Pharmaceutical Sciences (NIPS) established in the year 2017 is the flagship institute of NEMCARE foundation conceive, designed and developed to be a path breaking institution defining the new contours of Pharmacy education in the North Eastern region of the country. NIPS is recognized by Pharmacy Council of India and approved by The Directorate of Technical Education, Govt. of Assam & Assam State Technical University, Guwahati. Our core values and guidelines for organizational conduct and behaviour are integrity, transparency, meritocracy and dignity.

COMPUTER CENTRE

Keeping in mind that computers are becoming an integral part of academia and industry, the institute's computer centre is equipped with adequate number of state of the computers with power backup, sufficient printing facilities, and quick connectivity to the internet and other shared resources. Our student and faculties also have access to wireless internet connectivity with appropriate network security, which ensures the use of internet resources for furthering the goal of quality education.

LIBRARY

The Central library is equipped with more than 13000 text and reference books of about 5000 titles, 24 journals and 3 e-journal packages, serves as the backbone of expanding horizons of education.

SPORTS & RECREATION

We have a 100,000 square feet playground outdoor games such as football, volleyball, for cricket, basketball etc., a common well equipped gym and common rooms in hostels for indoor games in order to encourage our student to develop a healthy and balanced lifestyle along with great team spirit.

HOSTEL

There are three hostels in NIPS Mirza namely Dihang House Block - I and II for boys, Kapili House for girls with a total built - up area of about 60000 square feet with all basic amenities like:

- ◆ Wi-fi facility available on demand
- ◆ Round the clock water and power supply with standby generator
- ◆ Common refrigerator
- ◆ Purified drinking water
- ◆ Multi-cuisine vegetarian and non-vegetarian nutritious and hygienic food through common mess
- ◆ Television

We ensure that students are provided with all basic amenities required for a secure and comfort living.

MEDICAL HELP

There is arrangement in the campus for the treatment of minor illness. An ambulance and qualified doctors are available round the clock for consultation.
